

Testing HSE module @ New PMO Website - 2022.03.07

Project HSE landing_page

- ☐ Disclaimer on the top of the list of reports

Disclaimer: The inspections reported in this document have been conducted in order to make an assessment as comprehensive and accurate as possible of the HSE compliance. Nevertheless as only a sample of the sites, activities and documentation have been checked and verified, this report and information included are not and should not be considered a full assessment and do not replace or invalidate any other findings or information not mentioned in this report

To correct some typos and semantics, replace with the following:

Disclaimer: The reported inspections are the result of multiple assessments, as comprehensive and accurate as possible, of the HSE compliance. Nevertheless as only a sample of the sites, activities and documentation was checked and verified, these reports and information included are not and should not be considered a full assessment and do not replace or invalidate any other unreported findings or information.

Note: Change this disclaimer in this landing_page only! If applicable, all other disclaimers shall be corrected in the respective landing page.

- ☐ Change the link "Create" to "Create New Report"

Create

- ☐ Correct typo in the column header. It should be "Inspection date"

Submitted by	↑↓ Inspection date ↑
Jorge Nogueira	2022-02-17

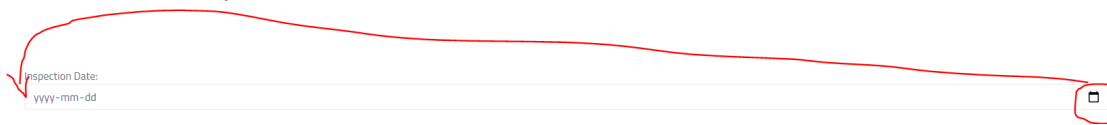

"Create New Report" landing_page

- ☐ Correct typo - It should be "Inspection"

Insepection Report Created by:

Jorge Nogueira

- ☐ In the "Inspection date", move the calendar icon to the left side

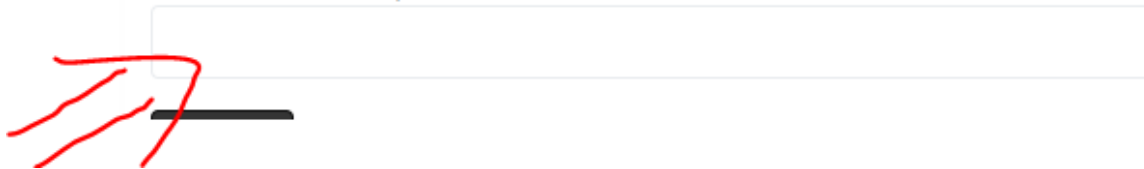

- ☐ Change "Contractual Penalty Sar Im". It should be "Contractual Penalty Sar/Im"

Contractual Penalty Sar Im:

- ☐ In "Contractual Penalty Sar/Im", only whole numbers and therefore equal or higher than zero should be allowed as entry data (0, 1, 2, ...101, 102, ...).

Contractual Penalty Sar Im:

"HSE Findings" landing_page

- ☐ Disclaimer on the top of the list of inspection findings
